

Institution Name: Columbia State Community College

Program Type: Anesthesia Technology

Degree Type: A.A.S.

Program Effectiveness Data

The following is the most current program effectiveness data.

Credentialing Examination: The number of students who pass, on the first attempt, the National Certification Exam (NCE) for the Anesthesia Technologist administered by Applied Measurement Professionals, Inc. (AMP) for the American Society of Anesthesia Technicians and Technologists (ASATT). The program goal for credential exam pass rate is to meet or exceed the national average by 5th cohort.

Year	NCE Credentialing Exam Pass Rates Number Passed/Number Test = Pass %	NCE Credentialing Exam National Average Pass %
2019	1/2 = 50%	69%
2020	0/2 = 0%	65%
2021	0/2 = 0%	
3 year Average	1/6 = 17%	

Job Placement: The number of graduates employed in the Anesthesia Technology compared to the number of graduates actively seeking employment in the field within twelve months of graduating. The program goal for in field job placement rate is 80 %

Year	Number of Graduates	Number Employed / Number Actively Seeking = Job Placement %
2019	3	2/3= 67%
2020	7	2/2 = 100%
2021	5	5/5 = 100% (5 offered \$10,000 signing bonus)
3 year average		9/10 = 90%

Program Completion: The number of students who complete the program within the stated program length. The three-year average benchmark established by the program is 80%.

Year	Number of Graduates/ Number Started Program – Program Completion %
2019	3/5 = 60%
2020	7/9 = 78%
2021	5/5 = 100%
3 year Average	15/19 = 79%
