Columbia State's Financial Aid Office Has Exciting News!

Beginning with the 2016-2017 academic year, students and families will have the online access to customized verification forms via myChargerNet (myCN). These secure electronic forms provide ease of use, save time and paper.

Students that have financial aid requirements can access myChargerNet (myCN) to complete required form(s). Any required documents can also be attached. If parent document they will be visible in the dependent student's myChargerNet (myCN) account.

Electronic forms are the fastest and most secure way to handle your financial aid request. However, you can opt out of the electronic form and print a paper version at any time.
